### Your Trusted Partner in Pest Control

Maxcon Pest Control found by Manoj Karnatak, intends to serve residents of Jaipur and surroundings. Maxcon Pest Control, A licensed agency from Rajasthan Government, is epitomy of self reliant and "One Point Solution" for all pests related issues. This has helped us gain trust of our clients. Maxcon Pest Control is committed to work as per guidelines for Integrated Pest Management for promoting "Safe and Effective Pest Control Services"

#### ✓ Our Vision

To build and uphold a team of competent associates that team up to give pest control services that meet needs of the customers. We serve and set us distinct as a provider of solutions with a focus on Courtesy, Quality, and Expertise.

#### ✓ Our Mission

To offer Top-notch pest management services based on two foundations-

- Conduct Self Ethically
- Use of Environmental protecting methods for Safe and Effective Pest Control.

### Why Choose Us?

Founded in Jaipur, Maxcon Pest Control has the potential to become the most reputable company offering commercial and domestic pest control services. Our technicians are skilled in creating a long lasting pest control environment in both business and residential premises. Maxcon relies on standard methods as per government and WHO norms for pest management to deliver what is needed. Since Maxcon is entirely committed to provide pest control services as per Highest Standards Globally, we at Maxcon use products from the multinational organizations like ENVU (Earlier known as Bayer), SYNGENTA, UPL and BHARAT CERTIS.
